Commure Pro User Guide

Printing Results

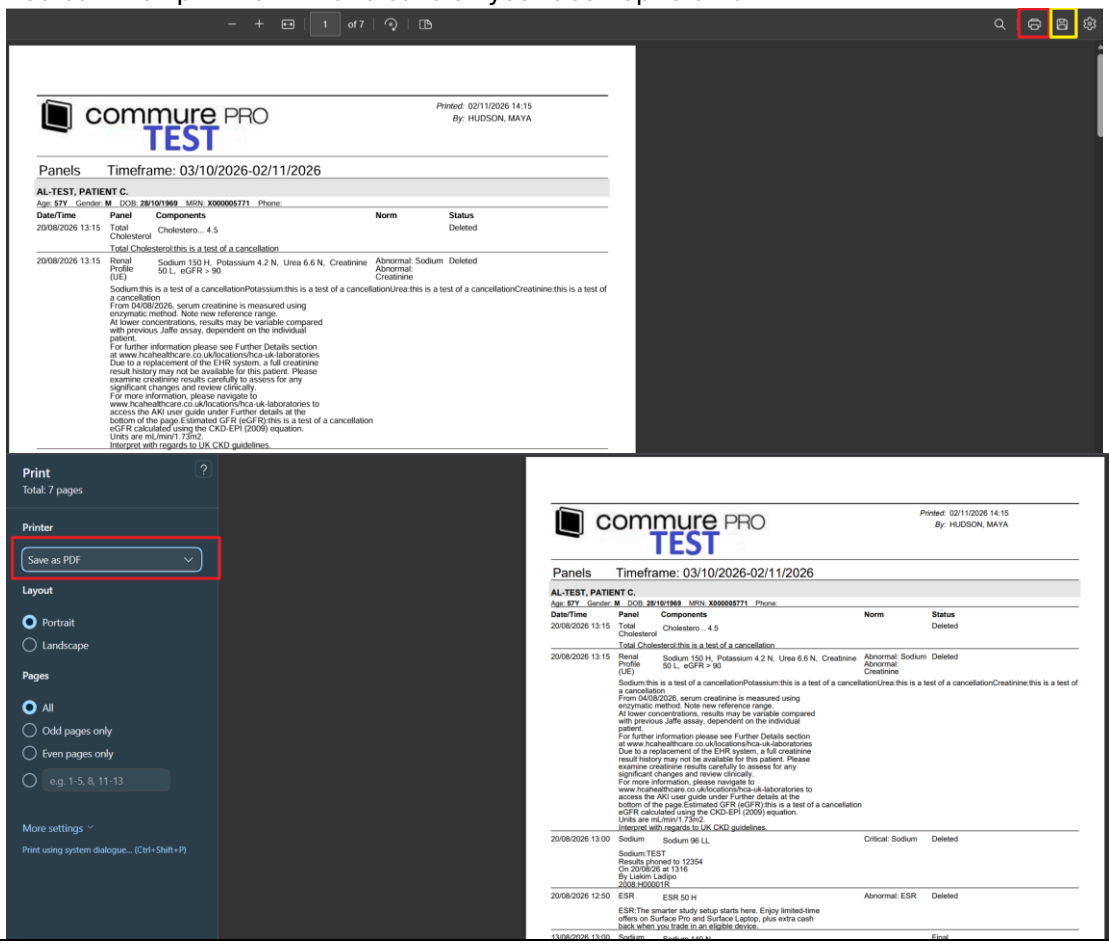

1. Choose which results you want from the central spine

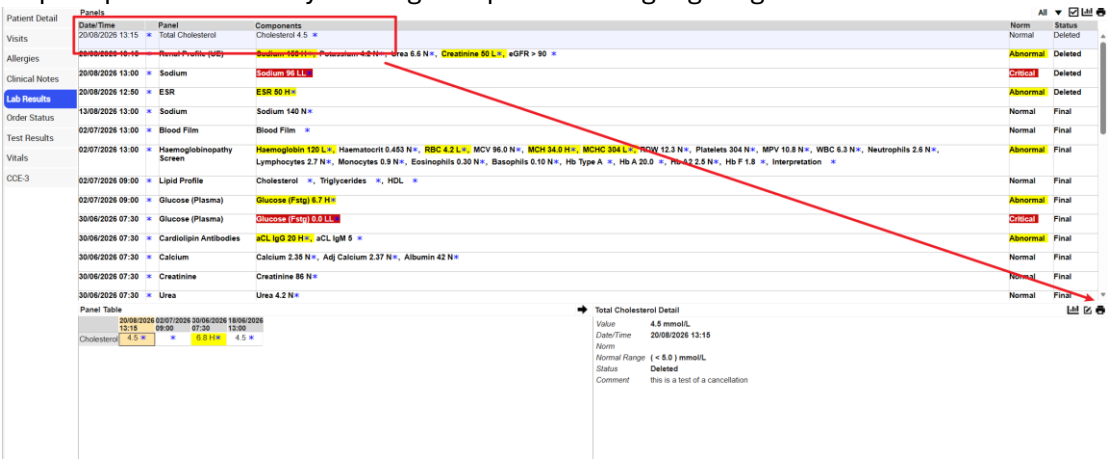

2. Either print the entire panel from the right-hand side print icon.

3. You can then print to PDF and save on your desktop to email

4. Or print panel details - by clicking on a panel and highlighting it

Then clicking the print icon, in the middle of the page on the right. And again, printing to PDF same as above.
