Ordering Tip Sheet - Discharge TTO ordersets

This guide provides information on how to find drugs prepopulated as discharge TTO ordersets that can be used in Meditech Expanse.

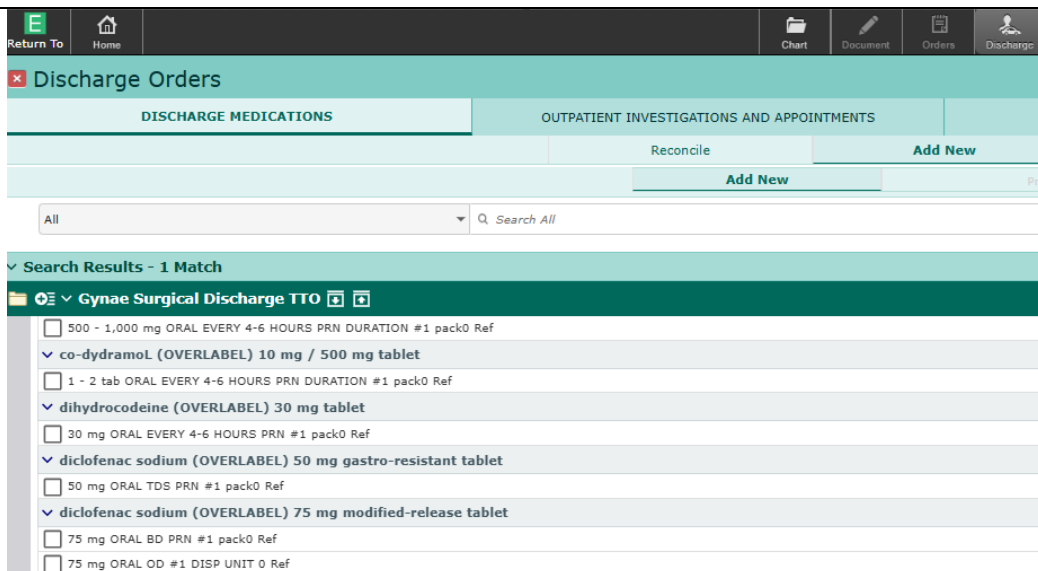

Click on **Discharge**> click on **Order TTO** under the **Discharge medications** section in the **Discharge Plan**

Click on **Add New**, in the search bar type in **TTO** and select the relevant Discharge TTO order set.

Select the appropriate drugs for discharge from the **Discharge TTO Orderset**

Select “Yes” for To Continue

Each TTO drug is configured to be ordered based on its standard pack size.

If the patient is required to receive the medication for a specified duration, select the drug by clicking on the drop-down chevron.
