How to View Ordered and Transfused Blood Transfusions

There are multiple ways to access information regarding blood transfusion ordered and transfused history.

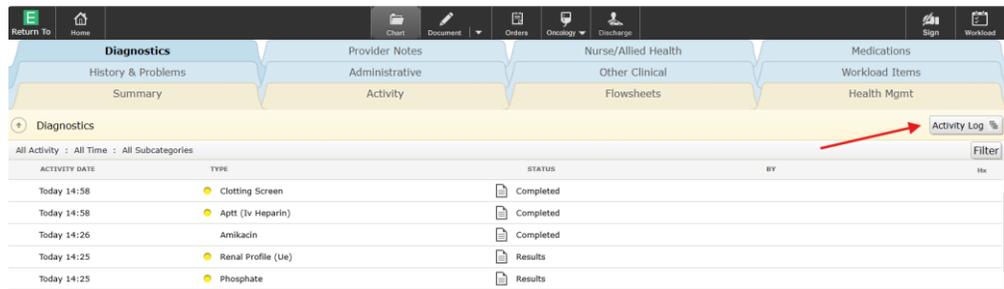

1. Diagnostics Tab
2. Other Clinical Tab > Blood Bank Summary
3. Flowsheets
4. Orders

1. Diagnostic Tab

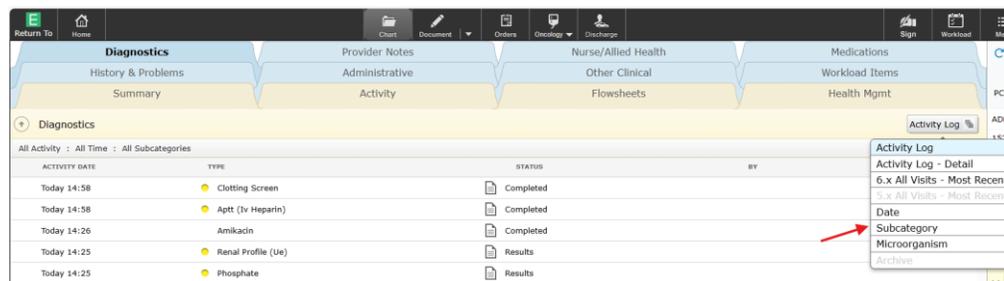

Open the patient's **Chart**

Click on the **Diagnostics** Tab

Click on **Activity Log**

Select **Subcategory**

Click on **Blood Bank Tests**

Click on **See Details**

The screenshot shows the 'Diagnostics' section of a patient chart. The 'Blood Bank Tests' tab is selected and highlighted. Below the tabs, a table displays test results for two dates: 06/11/25 04:31 and 11/11/25 04:41. The 'Crossmatch (AHG)' row shows 'See Detail' and 'See Detail' buttons with a red arrow pointing to the second 'See Detail' button.
