

# EGG DONOR PRICING INFORMATION

Valid from 1st April 2024

Prices are valid from 1st April 2024  
and will be reviewed on 31st December 2024.

Please ensure that before making treatment decisions you have  
confirmed all fees with the accounts department.

Separate price lists are available for our  
fertility and surrogacy services.

# WELCOME

The Lister Fertility Clinic at The Portland Hospital offers a dedicated egg donation programme that provides high quality, evidence-based care that is easily accessible for all patients.

We provide specialist continuity of care and personalised support throughout the different steps of your treatment.

Our team at The Portland Hospital are leaders in egg donation treatment, with an unmatched combined experience demonstrated by their exceptional results. Our team of doctors, nurses, embryologists and counsellors provide you with continuous support before, during and after your treatment, so whenever you're ready to grow your family, we're here to help.
